

BOROUGH OF ROCKLEIGH

BOARD OF HEALTH

2009 APPLICATION FOR HOOFED ANIMAL PERMIT

Any person desiring to keep, harbor or maintain one or more hoofed animals in the Borough of Rockleigh, shall obtain a permit for each said hoofed animal. Application for each said permit shall be made to the Health Officer of the Borough of Rockleigh on application forms provided by the Board of Health.

Any person, who owns, harbors, keeps or maintains a hoofed animal within the Borough at the time of the effective date of the Ordinance shall make application within 15 days after the effective date, to the Health Officer, for a permit pursuant to and in accordance with terms and provisions of this Ordinance. If an application is not made within the time prescribed herein, and it said person continues to own, harbor or maintain a hoofed animal within the Borough hereafter, said person shall be deemed to be in violation of the terms and provisions of the Ordinance.

The offspring of any licensed hoofed animal will be subject to all provisions of Section BH 8(1-11) of the Ordinance at six (6) months of age.
